

NEW COLOUR FINISHES

CAROMA LUNA COLLECTION

Caroma is proud to introduce new colour finishes to our popular Luna Collection.

Bringing everyday luxury to bathrooms across New Zealand, the Luna Collection offers reliable, durable and well designed products.

In addition to our polished chrome finish, Luna is now available in satin black, brushed nickel and brushed brass finishes across tapware, showers, and accessories.

Delivering high-quality standards across the entire Luna range, our tapware and showers are made with high-quality materials, 100% leak tested and are water efficient without compromising on performance.

With our overarching 20* year warranty and 1* year warranty on our finish, the Luna bathroom range brings practical and everyday bathroom experiences to life.

For a complete bathroom offering, pair from our extensive range of Luna basins, baths and our superior rimless hygiene Luna CleanFlush® toilets.
